Stone Requests Papers in Korean Negotiations, Hoping to Find Parallel to Belgian Case.

With the apparent purpose of ascertainng whether a parallel of the case of Bel-cium exists in the swallowing up of Korea by Japan. Sepator Stone, chair-man of the Foreign Relations Commitee, yesterday introduced a resolution reuesting the President to transmit to the Senate the official correspondence con-cerning the latter incident. Since Senator Root's speech in New

Fork criticizing the administration there has been a still hunt for evidence which might be used as a basis for attacking the foreign policy of the Roosevelt administration, during a part of which Sen ator Root was Secretary of State. The treaty of 1883 between the United States and Korea provides that "if other

owers deal unjustly or oppressively with ther government the others will exert heir good officers, on being informed of he case, to bring about an amicable ar-

It is apparent that the administration s co-operating with Senator Stone in an effort to dig something up that can be sed in combating the Root speech.

#### SAYS HOT WATER **WASHES POISONS** FROM THE LIVER

Everyone Should Drink Hot Water with Phosphate in It,

Tom Moore, proprietor of the Strand and Garden theaters, returned to Washington yesterday afternoon after a week's sojourn in New York. While the trip was mainly one of pleasure, Mr. Moore managed to consummate a number of important film contracts.

Through his friend. Commodore J. Stuart Blackton, he arranged with the Vitagraph Company for the initial local showing of the photoplays starring E. H. Sothern and the special film productions in which Edna May, the former musical comedy star, will appear, Mr. Sothern's camera vehicles will in no wise be of a camera vehicles with the strand with Phosphate in It,
